

# COVID SAFETY PROTOCOLS

*H2O~FIT*

## VACCINATION REQUIREMENTS

For the safety of all participants in our programs—particularly young children aged 5 months to 5 years who cannot be vaccinated at this time—all ADULTS participating in our classes must be double-vaccinated.

### SAFETY MEASURES

#### Proof of Vaccination

1. Click [HERE](#) to download the receipt of your 2nd vaccination from Ontario Health. (It will indicate that you have received two valid doses.)

2. Email your receipt to [h2ofit@rogers.com](mailto:h2ofit@rogers.com). We will confirm your registration in the class that has been reserved for you. Vaccine receipts will not be printed or kept on file—we will simply make note in database that it has been received.

3. Please confirm if you have NOT received your second vaccine, but plan to receive it prior to starting your classes. We will provide a grace period to allow time for this to be completed.

4. Please confirm if you do NOT intend to receive the COVID-19 vaccine. As full vaccination is now required for participation in our program, we will be unable to accept your registration. This information will remain confidential with H2O~FIT.

- H2O~FIT has exclusive use of the pool and change rooms at each TDSB school (change room and pool facilities are not shared with others during times of our permits).
- Masks must be worn in school facilities, including change rooms and on the pool deck/gallery. Masks may only be removed when entering the pool.
- Class participants shall remain physically distant (6 feet) while in change rooms and on pool deck/gallery.
- Class participants shall remain physically distant (6 feet) during Aqua~Fit and Parent~Tot classes.
- All class participants must sign-in prior to class—class assistant will ask for your name upon arrival. This procedure is important for contact tracing purposes (we have your email to contact you if necessary).
- During Aqua~Fit classes spectators are not permitted on the pool deck or inside school property.
- During Parent~Tot classes spectators are not permitted on the pool deck or inside school property. Only one parent shall accompany each child before/during/after class (note: we previously allowed both parents to accompany children, but we are trying to minimize total number of people on the premises).
