Pool Entrance, Strollers, Street Shoes

- Take stairs down one flight to change rooms.
- If driving to class, we recommend leaving stroller in the car.
- If walking or taking TTC, strollers will need to be carried down one flight of stairs (unfortunately, school elevator is not available).
- Strollers and street shoes are not permitted on pool deck.
- Deck shoes are highly recommended for your safety.

What to Bring to Class

- Each child requires a properly fitted diaper swimsuit.
- Please dispose all used diapers at home.
- Lycra or neoprene suit recommended for extra warmth.

When fitting your child with a suit, it must fit tightly around upper thighs and waist. Please note that if a fouling occurs, the pool must be closed for up to 72 hours (fee may be charged).

Diaper Swimsuit—Required

- **Kushies** brand diaper swimsuit is highly recommended—provides best fit and has velcro adjustment to accommodate baby’s growth.
- *Little Swimmers* and *Bummies* brands are not recommended, as these suits have proven to leak during our classes.
- If your child is toilet trained she/he does not require a diaper suit, however parent must GUARANTEE that an accident will NOT occur in pool.

Lycra or Neoprene Suit—Recommended

- H2O-FIT recommends lycra body suit or neoprene suit (*Warmbelly, Babywanna, Splash About*) to be worn over diaper swimsuit—even though our pools are warm (85-88 degrees), this helps keep your child warm during duration of the class.
